About the Mystery Book Club

The Litchfield Public Library Mystery Book Club has been meeting the 3rd Wednesday of every month since 2002. Members are mystery lovers who love to read and discuss mystery books.

The Books

The Mystery Book Club Members select the books, generally choosing books that span the range of mysteries and thrillers. They try to broaden their mystery repertoire by selecting authors they may not have chosen on their own. Books reflect a variety of:

Time periods—from ancient to modern

Locations—from Minnesota to the World

Careers—cops, cooks, archers and aunts
